22. Charges which are not Reasonable and Customary Charges, or any surgery or treatment which is not Medically Necessary, or charges in excess of Reasonable and Customary Charges, or charges which are incurred for hospitalisation, pre-hospitalisation and/or post-hospitalisation after the Expiry Date.

Smart**Medic** Xtra and Smart**Medic** Enhancer are unit-deduction medical riders attachable to selected regular premium investment-linked insurance plans. **These plans are insurance products that are tied to the performance of the underlying assets, and are not pure investment products such as unit trusts.** The insurance charge to be imposed will be deducted from the total investment value of your policy on a monthly basis. You may stop paying premiums under the policy and still enjoy protection as long as there is sufficient total investment value to pay for the insurance charge. However, there is a possibility of the policy lapsing when the required charges, including rider charges exceed the total investment value of the fund units available. Purchasing too many unit-deduction riders may deplete the fund units.

You have the option to include Smart**Medic** Enhancer to your investment-linked insurance plan; however, Smart**Medic** Enhancer must be attached together with Smart**Medic** Xtra. Each Smart**Medic** Xtra plan only allows one corresponding Smart**Medic** Enhancer plan for optional attachment, i.e. SME200 for SMX200, SME300 for SMX300 and SME400 for SMX400.

You should satisfy yourself that these riders will best serve your needs and that the premium payable under the policy is an amount you can afford. A free-look period of 15 days is given for you to review the suitability of the newly purchased Medical and Health Insurance product (MHI). If a rider is cancelled during this period, the policy owner is entitled to the reinstatement of the units deducted for the payment of insurance charge after net of expenses incurred for the medical examination, if any. If you switch your Medical Policy/Rider from one company to another or if you exchange your current Medical Policy/Rider with another Medical Policy/Rider within the same company, you may be required to submit an application where acceptance of your proposal will be subject to the terms and conditions to be imposed at the time of Policy/Rider switching or replacement.

This brochure is for general information only. It is not a contract of insurance. You are advised to refer to the Product Disclosure Sheet, consumer education booklet on MHI and sample policy documents for detailed important features and benefits of the plan before purchasing the plan.

The exclusions and limitations of benefits highlighted above are not exhaustive. Great Eastern Life reserves the right to revise the benefit structure and restrictions/limitations for these riders on policy anniversary or upon renewal by giving at least 30 days' notice. For further information, reference shall be made to the terms and conditions specified in the policy issued by Great Eastern Life.

If there is any discrepancy between the English, Bahasa Malaysia and Chinese versions of this brochure, the English version shall prevail.
